5/37 Kitchener Parade The Hill NSW

3  1  1 

This three bedroom unit is very deceiving. Hidden away at the rear of the block, just next to the pool, the entry is low key. Enter into the foyer - you'll be surprised by the space and everything this unit has to offer.

It offers a modern kitchen with stainless steel appliances, dishwasher and loads of storage space. It overlooks the large living and dining area with a balcony offering mountain and city views

Travel upstairs to a loft style bedroom with built-ins. Head downstairs to another two bedrooms with built-ins and sliding doors to small balconies.

It offers a modern bathroom with bath, a separate toilet and internal laundry area with additional storage throughout.

New carpet and floating boards and recently painted throughout. This modern unit is a must for inner city living.
