Enter this single level home into the vast foyer, it has polished black-butt flooring throughout the living areas. Recently renovated with nothing more required, it is bright, fresh and has leafy outlooks from most rooms

The lounge room is large and set in the centre of the home. Make your way to the dining room which looks onto the brand new stunning kitchen. It features stone bench tops and quality appliances and plenty of storage. It flows through the glass sliding doors to the entertaining and pool area. There is also a servery area straight from the kitchen to the decking area making entertaining an ease.
