The dining room opens into the kitchen making it a social place to prepare meals, or watch the children do their homework. The kitchen is neat, clean and tidy and provides gas cooking.

The dining has a glass sliding door leading to the vast backyard and you are able to watch the children play outside in the back yard whilst in the kitchen.

The main bedroom is large with lots of storage room, the second bedroom has built-ins. The third bedroom is the smaller room but has a sunny deposition.
