This lovely old home with central hallway, is totally liveable now but your imagination and energy could really turn it into a show stopper!

With high ceilings, 3 double bedrooms, wide side drive access and laneway access to the side of the property, your options are endless. The kitchen could do with a remodel and a reconfiguring of the rear floor plan would certainly add living space and huge value to this property. The recently renovated bathroom makes this a more attractive proposition. A generous 360sqm block for the area ensures there's plenty of room for the whole family.

Located in one of Newcastle's inner city hotspots with a close walk to the foreshore, Wickham Park and Beaumont Street, this is one that is not to be missed. Have you
